Mar 20 · 🌐 · Everyone join me in wishing Barron a Happy 14th Birthday! Barron is a great kid. He has a tough job. I am so proud of the way he has handled himself and represented our family. The Left can be cruel - especially to Trump children. We support you, Barron!

TIPS

- **Search for targets using platforms' native search functions, but also in Google and other search engines.**

- **Think about the platform. Don't focus solely on Facebook, Instagram and Twitter. Targets—especially younger ones— may more likely be on TikTok or gaming platforms. This is where username search engines can be helpful.**

- **Look out for more than just faces! Cars, homes and pets are also a great way to connect people.**

- **Document your verification process as you go, leaving breadcrumbs in the form of notes, links, archives, and screenshots. Otherwise, you're down the rabbithole and unable to reproduce your work.**
